SECTION 1

FINANCIAL SERVICES GUIDE

What other information should you consider before deciding whether to proceed with our recommendations?

We may provide you with personal advice that takes into account your needs, financial situation and circumstances. Where we provide you with personal advice, we will provide you with a Statement of Advice ('SOA'). The SOA outlines our advice and the basis on which the advice was given. It also outlines relevant information about us, our fees and charges associated with our advice. We are only able to provide personal advice about certain products as stipulated under our Australian Financial Services Licence ('AFSL').

In certain circumstances, a SoA may not be provided. These circumstances may include:

- 1.) where we provide you with only general advice, such as through seminars and newsletters;
- 2.) If we provide further advice after providing our initial advice, we may record this in a Record of Advice (ROA). You may request a copy of the RoA by contacting us by telephone, email or in writing at any time within seven years from when the further advice was first provided to you. Our contact details are provided in Part 2 Section 4 of this Guide.

When a financial product is recommended to you, you will be provided with a Product Disclosure Statement (PDS) or other disclosure document issued by the product provider. Among other things, the PDS contains information about the risks, benefits, features and fees payable in respect of the product. In combination, these documents will help you make an informed decision about whether to proceed with our recommendations.

Who provides the financial services described in this FSG?

The financial services described in this FSG are provided by us as Authorised Representatives of Halpin Wealth Partners.

Part 2 of this Guide contains further details about your financial adviser, and our experience, qualifications and professional memberships.

Who is responsible for those financial services?

As the holder of an AFSL, Halpin Wealth Partners is responsible for the financial services we provide to you. Halpin Wealth Partners acts on its own behalf when these financial services are provided to you. In relation to the financial services offered in this FSG, Halpin Wealth Partners, as the holder of an AFSL, does not act on behalf of any other person or licensee. Halpin Wealth Partners is only responsible for the services offered in the FSG.

What financial services do we offer?

- cash flow advice;
- social security benefits advice;
- life and disability insurance advice; and
- estate planning services (financial planning).

What products are available?

A range of financial products offered by many leading financial product providers are available to our advisers when they provide personal advice.

We use the expertise of internal and external research analysts to assist with selecting and maintaining an extensive list of approved products (APL) for our advisers to choose from.

When providing personal advice, we'll only recommend a product if we are satisfied it is in your best interests, and it is appropriate for you. This may include investigating and

recommending products which are not on our APL (subject to endorsement by our Investment Committee and in line with our investment policy guidelines).

How do we ensure that the personal advice we give you suits your needs and objectives?

To ensure your adviser provides personal advice that is appropriate, we firstly need to understand your objectives, financial situation and needs. Your adviser (referred to as 'we' below) will follow a step-by-step process as outlined below:

- 1.) We will meet with you for an initial consultation. During this meeting we will discuss your expectations and provide you with details of the services we can offer.
- 2.) We will collect all the information we need from you, including your objectives, financial situation and needs. If you do not wish to provide the information we require, we will advise you of the possible consequences of not disclosing all of this information and the impact on the recommendations given. This may include not being able to provide advice on the subject matter you request.
- 3.) We will help you identify your goals and may discuss your attitude towards investment risk.
- 4.) We may consider strategies and areas such as income, social security, insurance, cash and estate planning requirements. Where we recommend a financial product we will also conduct a reasonable investigation of the financial products that may be suitable to implement the strategies as part of the recommendations. Based on these and other considerations, we will prepare and present you with a written SoA, or in some cases depending on the circumstances, an RoA.

Where we recommend financial products, we will provide you with a PDS or other disclosure document containing information about each product recommended, to help you make an informed decision about whether to invest in or acquire that product.

Where we have recommended a Managed Discretionary Account via Implemented Portfolios IMA service, prior to you entering into the MDA Contract with the MDA provider (i.e. Implemented Portfolios), we will provide you with:

- The MDA Provider's FSG;
 - The Investment Program booklet and the SOA in relation to the Investment Program;
 - The MDA Contract and Account Application Form;
 - The Platform Account Application Form and associated disclosure documents issued by the Platform Provider (where appropriate)
- 5.) We will discuss our recommendations with you, make any changes you require and ask you whether you would like us to implement those recommendations on your behalf.
 - 6.) If you agree, we will then implement those recommendations.

7.) We will meet with you periodically to review your financial circumstances if we agree to an ongoing advice service arrangement which includes a regular review component.

We will also explain to you any significant risks of the financial products and strategies which we recommend to you. If you are unclear of the risks, do not hesitate to question us further.

We will only provide services to you with your prior and informed consent. If you do not understand any of the information in this Financial Services Guide, or have any other questions relating to the terms on which we will be acting, please contact us.

How can you instruct us?

You may specify how you would like to give us instructions, for example, by phone, fax or email using any of the contact details set out in Part 3 of this Guide. Alternatively, you may provide instructions to us in person. Where instructions are provided by telephone, these must be confirmed in writing.

If the fees, commissions or other benefits are not calculable at the time we provide personal advice, we will describe the manner in which they are calculated at the time the advice is given or as soon as practicable after. If you receive general advice you may request particulars of the fees, commissions and other benefits that we may receive, within a reasonable time after this FSG is given to you.

By using or continuing to use our services, you agree that:

- We do not charge asset-based fees where you are investing using borrowed money.
- You understand, consent to, and authorise and direct us to charge you in this way.

What type of fees, commissions, payments and other benefits do we receive for our services?

The types of fees, commissions and other benefits that may be received by us and by Halpin Wealth Partners include the following:

Service fees

We will discuss and agree our fee structure with you before we provide you with services. The types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

Fees for advice

We may charge fees for the preparation, presentation and implementation of our advice. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement to the fees before we provide you with advice.

Ongoing advice fees

We may charge a fee to provide ongoing portfolio reviews and/or for the provision of ongoing services.

This fee will be agreed with you and is either a set amount, or an amount based on the amount of funds under our advice, and/or the time involved in reviewing your portfolio and circumstances.

Referral fees

If we refer you to another business to provide you with services, we may receive referral fees. Those fees may vary according to the party to whom we are referring, and the products involved.

We will provide written notification to you if we are likely to receive referral fees for referring you to another service provider.

Payment methods

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods.

Where it is debited from your investments it is normally referred to as the Adviser Service Fee.

In most instances you will be able to select the method of payment that suits you best. We will discuss and agree the method of payment with you before we provide you with services.

Life Insurance Product Commissions

Initial and/or ongoing commissions from insurance providers may be received by Halpin Wealth Partners where you act on our recommendation to purchase or retain a life insurance policy. These commissions are paid to Halpin Wealth Partners by the company that issues the product that we recommend to you and they are included in what you pay for the product. They are not an additional cost to you.

The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to Halpin Wealth Partners. Ongoing commissions are payments paid by product issuers to Halpin Wealth Partners in the years after the first year. These commissions may be passed onto Halpin Wealth.

If you initiate an increase to your cover, Halpin Wealth Partners may receive an initial commission and ongoing commissions on the annual increase to your policy cost. The ongoing commission on a client initiated increase is

only paid in respect of the period that starts from the first anniversary of the increase.

If the initial commission is equal to the ongoing commissions (as a percentage of your policy cost), Halpin Wealth Partners may receive up to 38.5% (excl. GST) of your annual policy cost. If the initial commission is higher than the ongoing commissions, the maximum commission that Halpin Wealth Partners may receive is set out in the table below:

Date a new product is issued	Initial commission (% of annual policy cost or increase excl. GST)	Ongoing commission pa (% of annual policy cost or increase excl. GST)
Before 1 January 2018 or before 1 April 2018 when the application was received prior to 1 January 2018	0 - 140%	0 - 38.5%
1 January 2018 - 31 December 2018*	0 - 80%	0 - 20%
1 January 2019 - 31 December 2019*	0 - 70%	0 - 20%
From 1 January 2020*	0 - 60%	0 - 20%

* Halpin Wealth Partners may receive the pre 1 January 2018 commission rates above from the product issuer if:

- > your policy was issued before 1 January 2018 and you exercise an option or apply for additional cover under your policy after 1 January 2018; or
- > your policy was issued before 1 January 2018 and is replaced after 1 January 2018 to correct an administrative error.

Example

We recommend an insurance product to you and it is applied for and issued on 2 February 2018. The annual policy cost is \$450. Halpin Wealth Partners may receive up to \$360 (80% excl. GST) as an initial commission, and may pass up to \$360 to us. Assuming the policy cost stays the same each year, Halpin Wealth Partners may receive up to \$90 pa (20% excl. GST) as an ongoing commission, and may pass up to \$90 pa to us.

From 2 April 2020, you decide to increase your insurance cover. The cost of this increased cover is \$100. The initial commission payable to [Halpin Wealth Partners in respect of this increase will be \$60 (60% excl. GST). The ongoing commission payable to Halpin Wealth Partners in respect of this increase will be \$20 pa (20% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (i.e., 2 April 2021). These commissions may be passed onto us.

You'll find details of how your insurance policy cost is calculated in the relevant PDS that we provide you. Where personal advice is provided to you, you'll also find details of the commission that Halpin Wealth Partners and we are entitled to receive, if you decide to purchase a life insurance product, in your SOA or ROA.

Does Halpin Wealth Partners charge any additional fees?

Halpin Wealth Partners will not charge you any additional fees. However, it may retain up to 100% of all fees and commissions generated by its Authorised Representatives.

What arrangements may influence our advice to you?

Halpin Wealth Partners has an Approved Product List which includes managed account services provided by Implemented Portfolios. Some of the Directors of Halpin Wealth Partners have an association with Implemented Portfolios Pty Ltd ABN 36 141 881 147 as shareholders. As such, they may receive distributions of profit from Implemented Portfolios. Implemented Portfolio will not pay any fees or commission to Halpin Wealth Partners, Halpin Wealth or those listed above in respect of any products or services provided by Implemented Portfolios recommended by them but they will be remunerated in accordance with the Fee Structure set out in this FSG.

Halpin Wealth Partners have entered an agreement with Ironbark to provide independent Responsible Entity Services to Halpin Wealth Partners managed accounts. Ironbark charge a % fee which is subject to a minimum yearly fee. In the event the minimum yearly fee is not met by the percentage fees charged, the difference is paid by

Halpin Wealth Partners and is not borne by investors. For example, if the % fee for the year equated to \$40,000 and the minimum was set at \$50,000 per annum, Halpin Wealth Partners would be required to pay Ironbark \$10,000.

Halpin Wealth Partners does not require its Authorised Representatives to only recommend any of the above mentioned products.

We are generally only permitted to recommend Wrap services provided by platform providers on the Approved Product List, however we can recommend other Wrap services to you where it suits your objectives, financial situation and needs.

From time to time we may accept alternative forms of remuneration from product providers or other parties, such as hospitality or support connected with our professional development (e.g. training or sponsorship to attend conferences). We maintain a register detailing any benefit we receive which is valued at between \$100 and

\$300 and other benefits that relate to information technology software or support provided by a product issuer or that relate to educational and training purposes.

A copy of the register is available on request for a small charge.

Any other relationships or associations we have that may influence our advice to you will be disclosed in Part 2 of this FSG.

What fees do we pay to someone who refers you to us?

If you are referred to us we may pay the referrer a fee. We may also provide the referrer with gifts such as branded promotional items, hampers or gift vouchers.

The fee varies according to the referrer and financial products involved.

The fee may be a percentage of our fees, a percentage of the total amount invested paid through the referral, or a flat fee. We may pay these fees upfront when the financial service is provided, or the financial product is provided, or periodically as ongoing fees.

What is your financial advisers fee structure?

As part of detailed financial planning, there are costs to you at various stages of the process. Before making any recommendations, we will discuss and agree the fees with you.

Advice fees are inclusive of GST (unless otherwise stated) and payable by you at the following stages:

- 1.) **Recommendation:** For having a personalised financial plan (SoA) prepared, a plan preparation fee (up to \$11,000) is payable. The actual fee will depend on the complexity of your situation and the time it takes to prepare personal financial advice for you.
- 2.) **Implementation:** We may charge a placement fee and/or implementation fee to implement the recommendations in your financial plan. These are payable when you decide to proceed with the implementation of any one or more recommendations that we provide to you. The actual fee will depend on the complexity of your situation and the amount of funds invested, but will not exceed:
 - a. \$5,500; or
 - b. The maximum of entry fees or contribution fees specified in the Product Disclosure Statement (PDS) for the recommended product; whichever is the greater.

Where a placement fee and/or implementation fee is charged, I may rebate all or part of the initial commissions and/or ongoing commissions (exclusive of GST where applicable) to you.

- 3.) **Ongoing Advice Service and Reviews:** If you choose to have us conduct a review of your financial plan to ensure that your financial strategies and financial products remain appropriate to you, you may be charged a review fee. If you choose to have us provide an ongoing advice service, the actual fee will depend on the complexity of your situation and the amount of funds under advice, but will not exceed:
 - a. A fixed dollar amount up to \$100,000; or
 - b. Up to 1.8% p.a. of total funds under management; or
 - c. 38.5% of the ongoing premium (exclusive of GST where applicable).

Note: Full details of all fees and commissions for financial services will be provided to you in a Statement of Advice (SoA), or Record of Advice (RoA) and Product Disclosure Statements (PDS) at the time of receiving any recommendation.

Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns. For example, total annual fees and costs of 2% of your account balance, rather than 1%, could reduce your final return.

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs. You may be able to negotiate to pay lower contribution fees and management costs where applicable. Ask Halpin Wealth Partners or your financial adviser.

To find out more

If you would like to find out more, or see the impact of the fees based on your own circumstances, the Australian Securities and Investments Commission (ASIC) website (www.moneysmart.gov.au) has a managed investment fee calculator to help you check out different fee options.

What other benefits does your financial adviser receive?

In addition to the remuneration detailed above, we are eligible to qualify for other benefits and entitlements as detailed below:

- From time to time, we may accept alternative forms of remuneration from product providers or other parties (up to a value of \$300), such as hospitality or support is connected with our professional development (e.g. training or sponsorship to attend conferences).
